

## LIMITED WARRANTY ON ALL NEW MILLTRONICS MANUFACTURING COMPANY MACHINES

marketed under the trade name of **INTERNATIONAL MACHINE TOOLS**, a division of Milltronics Manufacturing Company. This warranty does not apply to equipment manufactured and sold under the commercial name of Milltronics Manufacturing Company or by the Partner Machines division of Milltronics Manufacturing Company. Such equipment has a separate limited warranty.

### *United States and Canada Shipments*

Milltronics Manufacturing Company ("Milltronics" or "Company") warrants all of their CNC machines ("Machines") and the CNC systems supplied with these Machines sold under the trade name of International Machine Tools shall be free from defects in workmanship and materials under normal use and service for a period of two years or 4200 hours, whichever is shorter, from the date of delivery. This warranty is limited to all factory-supplied parts and accessories as indicated on the original purchase order as accepted by Milltronics and any parts necessary to repair such defects. Milltronics' liability for breach of warranty shall arise only upon the return of the defective parts at Buyer's expense after notice to Milltronics of claimed breach, and shall be limited to replacing or repairing, at Milltronics' option, at its factory, any of said articles which shall within two (2) years after shipment be returned to Milltronics' factory of origin, transportation charges prepaid, and which are, after examination, disclosed to Milltronics' satisfaction to be defective. Notice to Milltronics of claimed defects discoverable by inspection must be given within ten (10) days after receipt of shipment. This warranty shall not apply to any of such articles which shall have been repaired or altered, except by Milltronics, or which shall have been subjected to misuse, negligence, or accident. The aforementioned provisions do not extend the original warranty period of any articles, which have either been repaired or replaced by Milltronics or a Fanuc, GE Fanuc, or Siemens representative. This warranty applies to the original purchaser only, or the original end user if the equipment is financed by a third party. During the first six months the warranty also includes all travel expenses incurred by a Milltronics factory representative if a problem occurs which is not repairable by the local distributor or a Fanuc, GE Fanuc, or Siemens representative, or by a part exchange. For the second six months of the two-year warranty Milltronics will pay for all travel expenses except airfare. For the second year of the two-year warranty, no factory field service is covered under warranty. For the first year of the warranty, Milltronics will also cover any standard UPS freight charge for parts and repairs shipped from our facility. After the first year there will be a shipping and handling charge for parts and repairs shipped from Milltronics. Incoming freight for warranty items is not covered under this warranty, and Milltronics will not pay incoming freight charges unless pre-approved in writing.

Neither the Machine nor the CNC system warranty will cover parts that are damaged or have failed due to abuse, improper operation, weather, acts of God, terrorism or shipping. No Milltronics warranty covers damage to fixtures, tools, or parts, regardless of the cause of this damage. Accessories not supplied by Milltronics are not covered under this warranty, and any alterations to the Machine or CNC control done by other than Milltronics' authorized personnel, unless approved by Milltronics' personnel in writing, shall void any warranties.

EXCEPT AS SET FORTH IN ABOVE, THE COMPANY MAKES NO EXPRESS OR IMPLIED REPRESENTATIONS OR WARRANTIES WITH RESPECT TO THE MACHINE OR THE CNC CONTROL OR THEIR CONDITION, MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, OR USE BY CUSTOMER. THE COMPANY FURNISHES THE ABOVE WARRANTIES IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

MILLTRONICS SHALL NOT BE LIABLE FOR ANY: (A) SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, LOSS OF PROFITS, ARISING FROM OR RELATED TO THIS WARRANTY, THE BREACH OF ANY AGREEMENT OR WARRANTY OR THE OPERATION OR USE OF THE MACHINE OR CNC CONTROL, INCLUDING WITHOUT LIMITATION, DAMAGES ARISING FROM DAMAGE TO FIXTURES, TOOLS, PARTS OR MATERIALS, LOSS OF DATA OR PROGRAMMING, DIRECT OR INDIRECT LOSS CAUSED BY THE DISTRIBUTOR, DEALER, OR FANUC, GE FANUC, OR SIEMENS REPRESENTATIVE; LOSS OF REVENUE OR PROFITS, FAILURE TO REALIZE SAVINGS OR OTHER BENEFITS, DAMAGE TO EQUIPMENT, FINANCING OR INTEREST CHARGES, AND CLAIMS AGAINST CUSTOMER BY ANY THIRD PERSON, EVEN IF MILLTRONICS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES; (B) DAMAGES (REGARDLESS OF THEIR NATURE) FOR ANY DELAY OR FAILURE BY THE COMPANY TO PERFORM ITS OBLIGATIONS UNDER THIS AGREEMENT DUE TO ANY CAUSE BEYOND THE COMPANY'S REASONABLE CONTROL; OR (C) CLAIMS MADE A SUBJECT OF A LEGAL PROCEEDING AGAINST THE COMPANY MORE THAN ONE (1) YEAR AFTER ANY SUCH CAUSE OF ACTION FIRST AROSE.

The validity, construction and performance of this Warranty and any sale made by Milltronics shall be governed by the laws of the State of Minnesota, without regard to conflicts of laws provisions of any jurisdiction and any action related in any way to any alleged or actual offer, acceptance or sale by Milltronics or any claim related to performance or agreement or warranty by Buyer or Milltronics shall be venued in federal or state district court in Hennepin County, Minnesota.
